Description	

The Council, in July of 2015, approved the Department of Justice (DOJ) FY2015 Edward Byrne Memorial Justice Assistance Grant in the amount of \$14,960.00.

We have been notified by the (DOJ) that they are not accepting any previously signed Agreements for the 2015 JAG Grant. These Agreements were signed by someone in each City in October of 2015; and often signed by the City Coordinator. The DOJ is now requesting new signature pages and that each City's Agreement be signed by the Mayor and that his printed name and title, signature and date be provided.

The term of this agreement will be from October 1, 2015 to September 30, 2018.
